Dysk Ssd Pcie G4 M.2 2TB/NQ790 LNQ790X002T- RNNNG Lexar

Cena	551,72 zł
Dostępność	Dostępny
Czas wysyłki	24 godzinny
Numer katalogowy	1422207
Kod EAN	10843367132222
Objętność brutto	0.0003825 cubm
NVMe	Tak
Jednostkowa waga brutto	0.062 kg
Category Code	SSU
Szerokość opakowania wysyłkowego	17 cm
Wysokość opakowania wysyłkowego	12.5 cm
Unit Box Length	0.165
DDR3 1600/1333/1066/800	LNQ790X002T-RNNNG
Pojemność SSD	2TB
ManufacturerCode	LNQ790X002T-RNNNG
Model tunera	7000 MB/ sek
Wymiary	80 x 22 x 2.45 mm
Seria SSD	NQ790
TBW	1200 TB
Jednostkowa waga netto	0.006 kg
CnCode	84717098
Głębokość opakowania wysyłkowego	18 cm
Waga opakowania wysyłkowego	0.62 kg
Unit Box Width	0.11
Unit Box Height	0.015
Form Factor	Heatsink M.2
MTBF	150000 GODZINY
Strona główna dostawcy	www.lexar.com/product/lexar-nq790-pcie-4-0-ssd/

Material	6000 MB/ sek
Ilość w opakowaniu	10

Opis produktu

Lexar NQ790 PCIe 4.0 SSD

The Lexar NQ790 PCIe 4.0 SSD sets a new standard for high-performance storage solutions, offering remarkable speeds and reliability for demanding tasks. With sequential read speeds of up to 7000MB/s and sequential write speeds of up to 6000MB/s, this SSD ensures lightning-fast file transfers, system boot-ups, and application load times. Whether you are gaming, editing 4K videos, or handling large datasets, the NQ790 provides smooth, uninterrupted performance.

What truly sets the Lexar NQ790 apart is its ability to handle random read speeds of up to 800,000 IOPS and random write speeds of up to 600,000 IOPS, ensuring rapid access to files and enhanced multitasking. Whether you're running demanding applications or performing high-speed data manipulation, this drive offers the responsiveness needed for modern computing.

Built with PCIe 4.0 interface support, the NQ790 is designed to leverage the full potential of your system, offering higher bandwidth for maximum throughput. This ensures faster load times for applications, quicker rendering for creative workflows, and an overall improved experience whether you're gaming, streaming, or working with large files.

To support its incredible speeds, the NQ790 is equipped with LDPC (Low-Density Parity Check) error correction technology, which enhances data integrity and ensures reliable operation even during extended usage. This makes the drive not only fast but also dependable, providing users with peace of mind that their data is secure.

Perfect for power users, gamers, and content creators, the Lexar NQ790 PCIe 4.0 SSD delivers industry-leading performance with cutting-edge technology. With its ability to handle heavy workloads and provide exceptional reliability, it's an essential upgrade for anyone seeking faster, more efficient storage for their computer system.

Whether you're upgrading your PC for gaming or need fast, reliable storage for professional applications, the Lexar NQ790 provides the performance you need to take your system to the next level.
