Opis produktu

The MSI FORCE GC300 WIRELESS, designed for gamers who demand accuracy and comfort, features 2-level Hall effect triggers for precise responses and smooth gameplay, along with two rear programmable buttons for rapid reactions. The immersive haptic feedback from dual vibration motors enhances the sensory in-game experience, complemented by an anti-slip texture with secure ergonomic handling, allowing for a fatigue-free playtime of up to 20 hours of uninterrupted wireless gameplay. Gamers can enjoy versatile 2.4 GHz wireless, Bluetooth, and USB-C connectivity options. Advanced configurations are enabled through the exclusive MSI Center, maximizing the potential of this controller.
