Latarka Edc SERIES/EDC29 Nitecore

Cena	407,80 zł
Dostępność	Dostępny
Czas wysyłki	24 godziny
Numer katalogowy	1426725
Kod EAN	6952506408597
Jednostkowa waga brutto	0.244 kg
Category Code	ILU
Szerokość opakowania wysyłkowego	7 cm
Wysokość opakowania wysyłkowego	4.5 cm
Unit Box Length	0.175
Kolor	Czarny
Bateria	Lithium-Ion rechargeable
Czas pracy baterii do	61 GODZINY
Strona główna dostawcy	flashlight.nitecore.com/product/edc29
Klasa IP	IP54
Objętość brutto	0.0005512 cubm
Jednostkowa waga netto	0.16 kg
CnCode	85131000
Głębokość opakowania wysyłkowego	17.5 cm
Waga opakowania wysyłkowego	0.244 kg
Unit Box Width	0.07
Unit Box Height	0.045
DDR3 1600/1333/1066/800	EDC29
Pojemność baterii	2500 mAh
ManufacturerCode	EDC29
Gniazdo karty SD	6500 Lumen
Ilość w opakowaniu	1

Opis produktu

6500 Lumen EDC Flashlight

The Nitecore EDC29 flashlight offers exceptional brightness and throw, making it a very powerful flashlight yet still suited for everyday carry. Equipped with the innovative NiteLab UHi 20 MAX LED, the EDC29 delivers a powerful 6,500 lumen output and an impressive throw of up to 437 yards. Designed for versatility, it provides four brightness levels, along with Spotlight, Floodlight, and Strobe modes.

Customizable Controls and Safety Features

The dual-stage mode button allows you to choose floodlight or strobe quickly. Meanwhile, the dual-stage power button controls the light's power and brightness levels. The EDC29 also features a Sensor Protection function that automatically reduces brightness if the light is accidentally activated in High mode, preventing overheating. This feature only activates when the light is turned on accidentally and deactivates during normal use.

USB-C Charging

The EDC29 can be charged through its built-in USB-C port. Once fully charged, the EDC29 can achieve a maximum runtime of 61 hours on its lowest mode and can be fully charged in just over 1 hour. Additionally, the EDC29 features two lockout modes: Semi and Full. In Half Lockout, you can still access Floodlight, Spotlight, or Strobe, while Full Lockout will fully prevent accidental activation. At a compact size of 5.26 inches and a weight of only 5.64 ounces, the EDC29 easily fits into any pocket. It is also water-repellant with an IP54 rating, and has 1-meter impact resistance, ensuring reliable performance in any environment.
