Latarka Explorer SERIES/4400 Lumens E4K Nitecore

Cena	342,25 zł
Dostępność	Dostępny
Czas wysyłki	24 godziny
Numer katalogowy	1323244
Kod EAN	6952506405657
Wysokość opakowania wysyłkowego	10 cm
Unit Box Length	0.18
Bateria	Lithium-Ion rechargeable
Czas pracy baterii do	700 GODZINY
ManufacturerCode	E4K
Klasa IP	IP68
Nazwa modelu	E4K
Objętność brutto	0.0009 cubm
Jednostkowa waga brutto	0.26 kg
Category Code	ILU
Szerokość opakowania wysyłkowego	5 cm
Waga opakowania wysyłkowego	0.26 kg
Unit Box Width	0.05
Unit Box Height	0.1
Pojemność baterii	5000 mAh
Gniazdo karty SD	4400 Lumen
Strona główna dostawcy	flashlight.nitecore.com/product/e4k
Ilość w opakowaniu	1
Jednostkowa waga netto	0.08 kg
CnCode	85131000
Głębokość opakowania wysyłkowego	18 cm

Opis produktu

The Nitecore E4K flashlight has an incredible maximum output of 4400 lumens from the 4 x Cree XP-L2 V6 LEDs and is powered by 1 x 21700 li-ion battery. The torch includes a Nitecore NL2150HPR 5000mAh which has a built-in USB-C charging port for charging directly into the battery. Alternatively the light can be powered using 2 x CR123 or RCR123 cells with the

included battery magazine.

The Nitecore NL2150HPR can be purchased separately [here](#).

A compact, palm-sized torch, the E4K offers fantastic performance, making high power and excellent specifications possible for everyday carry as well as specific applications, such as trekking and camping.

The E4K is constructed with a CNC machined unibody, making it lightweight, solid and offering excellent heat dissipation. The torch features anti-skid knurling for comfortable grip and cooling fins at the head of the light to reduce weight and for fast heat dissipation.

The Nitecore torch is operated by a single side switch which provides quick and convenient one-handed access to the modes. Hold the switch to turn the light on and cycle through the modes; short press for power indication; double press for direct access to ultralow or triple press for direct access to turbo/strobe mode. The E4K features mode memory which goes back to the last used setting on the light.

Brightness Levels:

Turbo: 4400 lumens - 30 mins runtime

High: 1050 lumens - 3 hrs 15 mins runtime

Mid: 320 lumens - 7 hrs 30 mins runtime

Low: 50 lumens - 45 hrs runtime

Ultralow: 2 lumens - 700 hrs runtime

Plus Strobe (4400 lumens), SOS (4400 lumens) and Beacon (4400 lumens).

Maximum beam distance 211 meters, waterproof to IP68 and resistant to impacts up to 1 meter.

Includes: Nitecore NL2150HPR 5000mAh 21700 li-ion battery, USB-C charging cable, CR123 battery magazine, pocket clip, holster, lanyard, spare o-ring.
