Latarka Precise SERIES/3000 Lumens P23I Nitecore

Cena	380,60 zł
Dostępność	Dostępny
Czas wysyłki	24 godziny
Numer katalogowy	1390113
Kod EAN	6952506407538
Klasa IP	IP68
Strona główna dostawcy	flashlight.nitecore.com/product/p23i
Ilość w opakowaniu	1
Jednostkowa waga netto	0.1145 kg
CnCode	85131000
Głębokość opakowania wysyłkowego	18.5 cm
Waga opakowania wysyłkowego	0.335 kg
Unit Box Width	0.05
Unit Box Height	0.1
Pojemność baterii	5000 mAh
ManufacturerCode	P23I
Nazwa modelu	P23i
Objętość brutto	0.000925 cubm
Jednostkowa waga brutto	0.335 kg
Category Code	ILU
Szerokość opakowania wysyłkowego	5 cm
Wysokość opakowania wysyłkowego	10 cm
Unit Box Length	0.185
Bateria	Lithium-Ion rechargeable
Gniazdo karty SD	3000 Lumen

Opis produktu

The Nitecore P23i rechargeable flashlight is super bright, compact with long throws. It achieves 3000 lumens max and reaches 512 yards of beam throw, thanks to the single SFT-70 LED and a large polished reflector. The Nitecore P23i is the culmination of all the new upgrades fans have been asking for in the P series. Throws farther than the P20i, but far more compact than the P30i. The P23i comes with a 5000mAh high-capacity battery and can be fast charged via its built-in USB-C port. Once it is fully

charged, it can achieve a max runtime of over 45 hours on the ultra-low mode. A handy charging status indicator as a reminder when it is time to recharge. Same as the other P series flashlights, P23i comes with an easy-to-use end cap so that you can change the brightness and access the strobe mode with a single hand. Back in action are the tail stand capability, preventing accidental activation while providing a secure attachment point for lanyards. The stainless steel bezel with three silicone nitrided inlays reduces glass to rubble, making P23i an indispensable tool for emergencies. With an IP68 waterproof rating and a covered charging port, the P23i can be used safely in any climate. The P23i is compact enough to carry as an EDC flashlight or as a part of outdoor gear for camping, and hiking, yet strong enough as a duty light for law enforcement or a work light for professionals.
