Memory Micro Sdxc 256GB UHS-I/WDD256G1P0C Wdc

Cena	255,52 zł
Dostępność	Dostępny
Czas wysyłki	24 godziny
Numer katalogowy	1423633
Kod EAN	718037874951
Waga opakowania wysyłkowego	0.233 kg
Unit Box Width	0.075
Unit Box Height	0.005
Kolor	Purpurowy
ManufacturerCode	WDD256G1P0C
Pojemność pamięci flash	256GB
Strona główna dostawcy	shop.westerndigital.com/products/memory-cards/wd-purp le-microsd#WDD032G1P0C
Objętność brutto	4.522e-005 cubm
Jednostkowa waga brutto	0.009 kg
Full Description Line	Flash Memory Card Micro SDXC 256GB Speed Class UHS-1 Colour Purple
Głębokość opakowania wysyłkowego	9.5 cm
Szerokość opakowania wysyłkowego	8.5 cm
Wysokość opakowania wysyłkowego	14 cm
Unit Box Length	0.125
Rodzaj produktu	Karta pamięci Flash
Typ karty pamięci	Micro SDXC

Opis produktu

WD Purple SC Ultra Endurance microSD Card - 256GB, microSDXC

Western Digital's WD Purple SC QD101 microSD card is designed specifically for the mainstream security camera market. Using advanced 96-layer 3D NAND technology, the card delivers a cost-effective combination of ultra endurance, high performance, and wide capacity range up to 512GB, and its support for card health monitor functionality allows for pre-emptive storage management. With the fast-growing market of security cameras, and growing adoption of 4K video, this card offers the right combination of longevity and capacity to handle the 24/7 continuous recording workload. Trust Western Digital to deliver WD Purple –the ideal microSD storage for security video cameras and edge devices.

It's WD Purple

Designed for Surveillance. Being a member of a market-leading brand gives you assurance that this card is designed with the right robustness, performance and features for always-on security video cameras and edge devices.

Put More Confidence In Your Cameras

Ultra Endurance. WD Purple SC microSD cards are designed for continuous 24/7 recordings should cameras lose connection with the NVR, providing additional confidence in your security video solution.

Smart Storage Maintenance

Card Health Monitoring. In compatible cameras, card health monitoring capability allows you to get notified when it's time to service your WD Purple microSD card, so you can perform preemptive storage management.

Robust Storage, Indoors or Outdoors

Supports -25°C to 85°C temperature range; humidity resistant. Have peace of mind that this card is designed for continuous operation in extreme weather conditions and in a variety of climates.

Continuous Capture, Hours or Days

Capacities up to 1TB1. WD Purple microSD cards are built with advanced 96-layer 3D NAND technology, ensuring high performance, reliability, and endurance. Western Digital offers a wide range of capacities for different cameras, resolution, and recording implementations; use for both motion-triggered and continuous recording

Ideal for

Ideal for mainstream video surveillance cameras supporting on-camera storage (microSD slot) for stand-alone recording or failover local storage in the event of network outage.
