Szerokość opakowania wysyłkowego	31.5 cm
Wysokość opakowania wysyłkowego	21 cm
Unit Box Length	0.435
Unit Box Height	0.21
TMC	Tak
Liczba ekranów	2
ManufacturerCode	RGOVLCA4TWSI
Pasuje do rozmiarów ekranów	17-32"
Ilość w opakowaniu	1
Jednostkowa waga netto	5.446 kg
CnCode	83021000
Głębokość opakowania wysyłkowego	43.5 cm
Waga opakowania wysyłkowego	6.8 kg
Unit Box Width	0.315

Opis produktu

R-Go Double monitor arm (Caparo).

With the R-Go dual monitor arm, you can easily and quickly position your screens at eye level. In addition, you can tilt and rotate the screens as required. The Caparo monitor arms even have an integrated gas spring, allowing you to easily adjust the screens in height and depth with one hand. Ideal for flexible workplaces! Thanks to the modular character, you can easily expand the monitor arms as required with a document holder, laptop holder, smartbar or an extra arm. The monitor arms can be installed from above the worktop. This allows you to work in an upright posture even during installation! In addition, you don't need any tools for installation. The R-Go monitor arms are designed to be CO2 neutral. The CO2 emissions released when manufacturing a monitor arm are compensated by planting trees. The R-Go monitor arms are designed in the Netherlands and feature patented SMART functions, such as a rotation stop for each moving part. This SMART STOP prevents the monitor arms from colliding with an (acoustic) panel.
