Wysokość opakowania wysyłkowego	16 cm
Unit Box Length	0.07

Opis produktu

Easy to Use: Meross Smart Outdoor Plug can be easily turned on/off two outlets individually by app or voice, or together with the power button. Compatible with Matter(Matter version), Apple HomeKit, Alexa, Google Home, and SmartThings. Just say: "Alexa, turn on the outdoor light".

Durable Outdoor Design: 1.5m power cord long. IP44 waterproof housing(do not soak or rinse) ensures reliable performance in various weather conditions. Ideal for gardens, patios, and other outdoor spaces. *Please use the IPX4 plugs and insert them fully into the sockets. Remember to cover outlets when not in use.

Power Monitor: Track power consumption for each outlet separately, helping you save energy and reduce electricity bills.

*Meross app required.

Compatible with Solar systems: Monitor the power generation of your balcony solar system. *Left outlet only, Meross app required.

Timer function: Create customized scenes, timers, and schedules to meet various needs. Use sunrise/sunset functions for automated control. Schedules run even without internet connection.

Wide Application: Perfect for outdoor and indoor use. Suitable for landscape lighting, fountains, Christmas decorations, appliances, and more.

There are two versions of products, the HomeKit version supports Apple Home. The Matter version supports Matter platform.
