Opis produktu

Neomounts CL35-340BL12 Monitor/TV mount ceiling 23-42" - h 106-156 cm

Neomounts CL35-340BL12 Monitor/TV mount ceiling 1 screen - 23-42" - max 50 kg - VESA 100x100-200x200 - h 106-156 cm - black

The Neomounts CL35-340BL12 is a full motion ceiling mount for flat screens up to 42". The unique tilt (25°) and swivel (360°) technology allows the mount to change to the optimal viewing angle. Level adjustment is available for the perfect installation.

The ceiling mount can be easily adjusted in height from 106 to 156 cm* and has a weight capacity of 50 kg. The CL35-340BL12 is suitable for screens that meet VESA hole pattern 100x100 to 200x200 mm. A practical cable management system conceals and routes cables from ceiling to screen. The mount features an adjustable mounting angle for sloped ceilings and comes with an additional cover for installation on suspended ceilings.

* The Neomounts NS-EP100BLACK extension pole can be used as extra extension to the pole included with the ceiling mount. In this way, the height of the mount can be increased with an extra 107,5 cm.
