Opis produktu

Neomounts CL35-440BL16XL Monitor/TV mount ceiling 37-70" - h 250-300 cm

Neomounts CL35-440BL16XL Monitor/TV mount ceiling 1 screen - 37-70" - max 50 kg - VESA 200x200-600x400 - h 250-300 cm - black

The Neomounts CL35-440BL16XL is an ultra-long full motion ceiling mount for flat screens up to 70". The unique tilt (25°) and swivel (360°) technology allows the mount to change to the optimal viewing angle. Level adjustment is available for the perfect installation.

The ceiling mount has an extra-long pole, that can be easily adjusted in height from 250 to 300 cm* and has a weight capacity of 50 kg. The CL35-440BL16XL is suitable for screens that meet VESA hole pattern 150x200 to 600x400 mm. A practical cable management system conceals and routes cables from ceiling to screen. The mount features an adjustable mounting angle for sloped ceilings and comes with an additional cover for installation on suspended ceilings.

* The Neomounts NS-EP100BLACK extension pole can be used as extra extension to the pole included with the ceiling mount. In this way, the height of the mount can be increased with an extra 107,5 cm.
