Opis produktu

The Neomounts by Newstar WL55-875BL1 is a wall mount for displays up to 100" with a maximum weight capacity of 110 kg. The mount has 65 cm motorized height adjustment (35 mm/second), is operated with a wired remote control and features an anti-collision system for extra safety. A lockable, ventilated hardware compartment with cable opening is included and optional for installation. The floor plate of the mount, with space for floor baseboards, ensures solid and secure installation. The included cable duct, optional to install, conceal and route cables from wall mount to screen. The wall mount is packed partially pre-assembled, to ensure fast and easy installation and can be locked using a padlock (not included). Additionally, the WL55-875BL1 is compactly packed for optimized transportation and storage. The AFL-875BL1 videobar & multimedia kit is optionally available and enables the installation of a separate cam shelf and multimedia device shelf to the trolley. Included to the kit is an adapter for the Logitech Rally Bar (Mini). In addition, the multimedia shelf is suitable for installation of i.a. the Logitech Tap.
