Wrl Cpe OUTDOOR/L11UG-5HAXD-NB Mikrotik

Cena	422,78 zł
Dostępność	Dostępny
Czas wysyłki	24 godziny
Numer katalogowy	1410298
Kod EAN	4752224009111
Unit Box Length	0.345
IEEE 802.11n	Tak
IEEE 802.11ax	Tak
ManufacturerCode	L11UG-5HAXD-NB
DHCP	1
Wymiary	245x121x50mm
Objętność brutto	0.003252 cubm
Jednostkowa waga brutto	0.74 kg
Category Code	WOD
Szerokość opakowania wysyłkowego	6.5 cm
Wysokość opakowania wysyłkowego	14.5 cm
Unit Box Width	0.065
Unit Box Height	0.145
IEEE 802.11ac	Tak
Typ urządzenia sieciowego	Wireless CPE
Strona główna dostawcy	mikrotik.com/product/netbox_5_ax#fndtn-specifications
IEEE 802.11a	Tak
Ilość w opakowaniu	1
Jednostkowa waga netto	0.39 kg
CnCode	85176200
Głębokość opakowania wysyłkowego	34.5 cm
Waga opakowania wysyłkowego	0.74 kg

Opis produktu

NetBox 5 ax

A Wi-Fi 6 upgrade of the popular NetBox 5. AP/CPE/Point-to-point – it can do it all! PoE-in, DC jack, Gigabit Ethernet, durable outdoor enclosure, modern dual-core ARM CPU, Wi-Fi-6 5GHz wireless.

NetBox 5 ax is a powerful dual-chain outdoor device that can fill multiple roles in your setups: AP/CPE/Point-to-point. The strong 5 GHz Wi-Fi 6 radio comes with handy RP-SMA connectors. That means you can add a HGO-antenna-OUT and you've got yourself an excellent omnidirectional AP... or try the mANT30 PA antenna to create a powerful long-range point-to-point link for distances up to 30 kilometers.*

This weatherproof board features a modern Qualcomm Maple CPU based on the ARM architecture, 256 MB of RAM, a USB port for extra storage or other needs, and a Gigabit Ethernet port with PoE-in.

We've designed the case to make a sysadmins life easier. You can open the case effortlessly with just one hand. At the bottom, concealed behind a protective door, you'll find exits for Ethernet. Equipped with a mounting loop for easy tower/pole installation, it also offers a separate DIN rail mount.

If you've read this far, here's a little bonus feature: we've kept the good old beeper for various alarms or creative outputs.
