Zasilacz Atx 750W/CORE Gx 750 Seasonic

Cena	488,49 zł
Dostępność	Dostępny
Czas wysyłki	24 godziny
Numer katalogowy	1430109
Kod EAN	4711173878469
DDR3 1600/1333/1066/800	SEASONIC CORE GX ATX 3 (2024) (SRP-CGX751-A5A32SF)
ManufacturerCode	SRP-CGX751-A5A32SF
Moc wyjściowa zasilacza	750 Watts
Nazwa modelu	SRP-CGX751-A5A32SF
Gniazdo mikrofonu 3,5 mm	80 PLUS GOLD
Ilość w opakowaniu	5
Jednostkowa waga netto	2.55 kg
CnCode	85044095
Głębokość opakowania wysyłkowego	60 cm
Waga opakowania wysyłkowego	15.65 kg
Unit Box Width	0.115
Unit Box Height	0.19
Kolor	Czarny
Zasilacz	ATX 3.0
Strona główna dostawcy	https://seasonic.com/core-gx-atx-3-2024/
Dostępne instrukcje	12cm fan
Wymiary	140 × 150 × 86 mm
Objętość brutto	0.00738 cubm
Jednostkowa waga brutto	3.13 kg
Category Code	PSU
Szerokość opakowania wysyłkowego	20.5 cm
Wysokość opakowania wysyłkowego	30 cm
Unit Box Length	0.27

Opis produktu

SEASONIC CORE GX ATX 3 (2024) (SRP-CGX751-A5A32SF) 750 W

Next-Generation Power Supply for Modern Systems

The Seasonic CORE GX ATX 3.0 750 W power supply is designed to meet the demands of modern PC systems. Featuring the latest ATX 3.0 and PCIe 5.0 compatibility, this power supply is ready for current and next-generation components, providing reliable power for both everyday use and intensive applications.

Reliable 750 W Output for Stable Performance

With a steady 750 W output, the CORE GX ATX 3.0 ensures stable and consistent power delivery, making it suitable for a wide range of computing tasks. Whether you're gaming, streaming, or working on resource-intensive projects, this power supply delivers the performance needed to keep your system running smoothly.

High Efficiency with 80 PLUS Gold Certification

The CORE GX ATX 3.0 750 W boasts an 80 PLUS Gold certification, ensuring high energy efficiency. This certification signifies that the power supply can achieve up to 90% efficiency, reducing energy consumption, heat generation, and overall electricity costs. This makes it an environmentally friendly choice for users seeking both performance and sustainability.

Advanced Cooling with Smart and Silent Fan Control

Seasonic's advanced Smart and Silent Fan Control (S2FC) technology ensures efficient cooling while minimizing noise levels. The built-in fan adjusts its speed based on the system's load, providing optimal cooling performance during heavy usage and quiet operation during lighter tasks, resulting in a balanced and comfortable user experience.

High-Quality Components for Longevity

Seasonic's commitment to quality is evident in the CORE GX ATX 3.0 750 W power supply. It features high-quality Japanese electrolytic capacitors rated for 105°C, ensuring long-term reliability and stability. These premium components help maintain consistent performance even under demanding conditions, making the power supply a durable and dependable choice.

Fully Modular Design for Easy Installation

The fully modular design of the CORE GX ATX 3.0 750 W simplifies installation and improves cable management. Users can connect only the cables they need, reducing clutter and enhancing airflow within the case. This results in a cleaner, more organized build with improved thermal performance.

Comprehensive Protection Features

Safety and reliability are key priorities for Seasonic, and the CORE GX ATX 3.0 750 W comes equipped with multiple protection features. These include Over Voltage Protection (OVP), Under Voltage Protection (UVP), Over Power Protection (OPP), Short Circuit Protection (SCP), and Over Temperature Protection (OTP), ensuring the safety of your components and the stability of your system.

Versatile Power Solution for Various Applications

Whether you're building a high-performance gaming rig, a professional workstation, or a multimedia setup, the CORE GX ATX 3.0 750 W is designed to meet diverse computing needs. Its robust feature set, high efficiency, and reliable performance make it a versatile and dependable power solution for a wide range of applications.

Long-Term Warranty for Peace of Mind

Seasonic backs the CORE GX ATX 3.0 750 W with an extensive warranty, reflecting their confidence in the product's quality and durability. This warranty provides users with peace of mind, knowing that their investment is protected for years to come.

In conclusion, the Seasonic CORE GX ATX 3.0 750 W power supply offers a perfect combination of performance, efficiency, and reliability. With its next-generation compatibility, high-quality components, and advanced features, it is an excellent choice for users looking for a dependable power solution for their modern computing needs.
