### Opis produktu

#### EDGE GOLD

L-shape design tailored for dual chamber cases

The EDGE Gold PSU series features a unique L-shape design, a removable USB and fan PWM hub, longer modular cables, and a conveniently removable dust filter. Experience efficient cable management in a dual chamber or tower chassis that blends aesthetics and convenience in your PC build.

- 80 PLUS Gold efficiency
- PCIe 5.1 ready with in-house R&D 12V-2x6 alloy copper soldered terminals

- 
- Detachable USB hub with 4 internal USB 2.0 headers and 6 PWM headers
  - Removable magnetic fan dust filter
  - Built with German top-end, industrial-grade EPCOS capacitors
  - Fully modular braided-texture cables with pre-installed cable combs on MB/CPU/GPU connectors
